THE CREST

DEDICATION

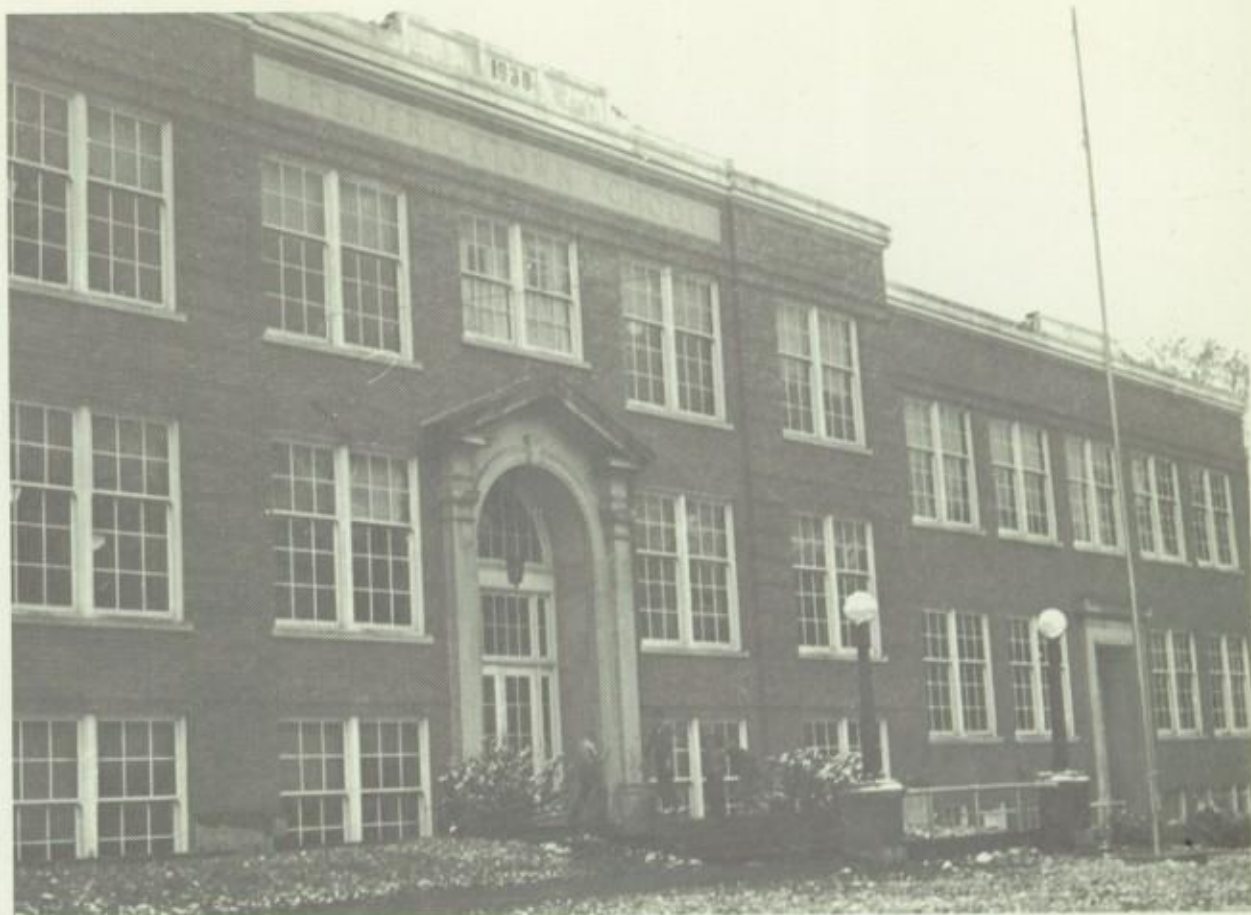

Through words and pictures we have captured the story of a community effort to provide a fuller and more meaningful education for its young people. The Crest of 1965 is dedicated to the citizens and parents of the Fredericktown Community whose endeavors planned and constructed the new Senior High School.

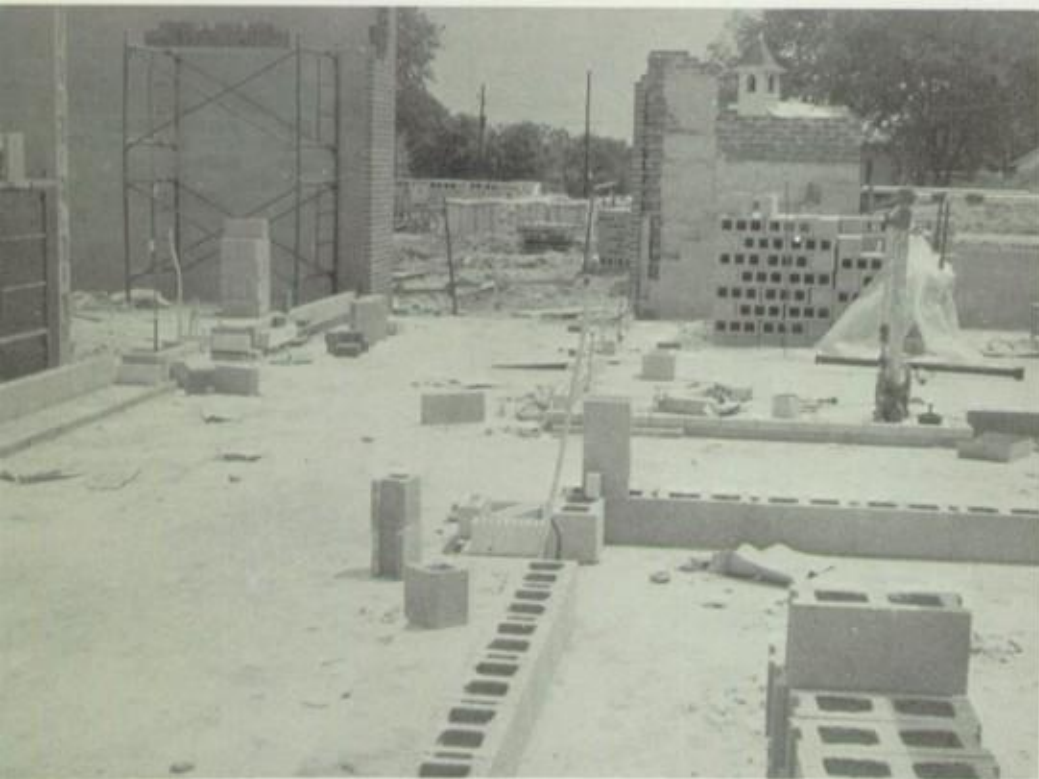

In November, 1962, the voters of Fredericktown went to the polls and approved a bond issue to build a new high school. The new facility has an area of 49,138 sq. ft. which can easily be expanded to accomodate 600 students. The school is situated on 37 acres of land and cost over \$720,000.

And the old was
joined by the new.

BOARD OF EDUCATION

Griffith Williams, Fred Frye, Carrol Cochran, President, Bruc Levering, Vice-President; Mrs. Dove Todd, Charles Giauque, Executive Head.

All of the problems of cost and construction of the new school fell to the members of the school board. They gave unceasingly of their time in making the necessary decisions and the students of Fredericktown wish to give a special word of thanks to these people for a job well done!

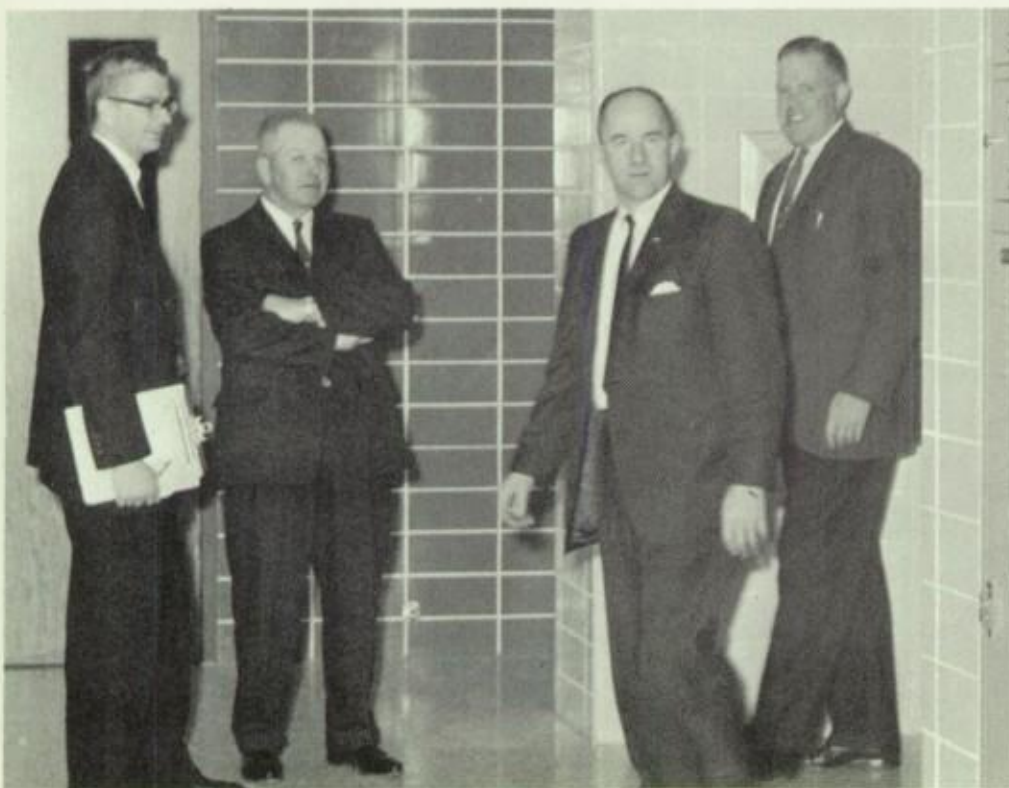

School board meetings are long affairs.

Problems are seriously discussed.

But about those inspection tours folks . . .
